

Friday, April 16, 2010, 10 am – 3 pm
Johns Hopkins Hospital,
Dept. of Radiology
Stoll Conference Room (Room 106)

Imaging in Translational Research: Symposium & Open House

Imaging Expertise/Resources

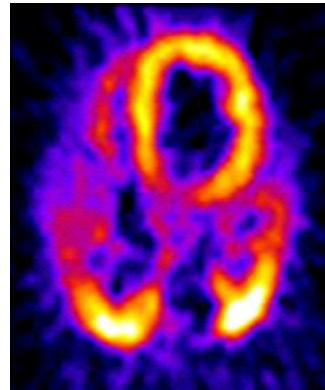

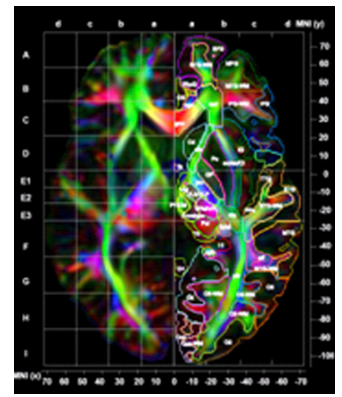

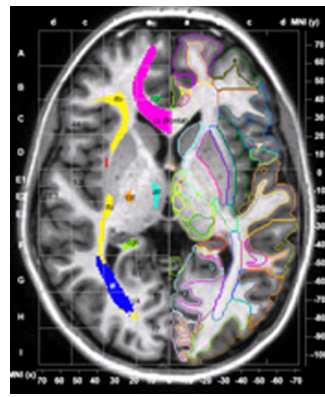

Networking Opportunities

Imaging Data Management

Clinical and Pre-clinical

No registration required

Presented by The Radiology
Department and the ICTR Imaging
Translational Technology Core—
ictr.johnshopkins.edu

Participating Programs

ICMIC (In Vivo Cellular Molecular
Imaging Center)

SAIRP (Small Animal Imaging Resource
Program)

Division of Nuclear Medicine and
PET Center

Division of MR Research

Division of Medical Imaging Physics

The Johns Hopkins Institute for
Clinical and Translational Research

ICTR—Where Science and
People Connect

CTSA Clinical & Translational
Science Awards
