

The Institute for Clinical and Translational Research  
Biomarkers and Diagnostic Testing Translational Research Community

Monday, July 14, 2014

9:00am-1:00pm

Owens Auditorium, Cancer Research Building

- 9:00-9:10am - Welcome: *Martin Pomper, MD, PhD, Professor of Radiology, Co-Leader of the Biomarkers and Diagnostic Testing Translational Research Community*
- 9:10-9:25am - "Overview of ICTR Research Navigator Supported Services" - *Linda Post, RN, BSN, CCRP, ICTR Research Navigator*
- 9:25am-9:40am - "The ICTR Studio"- *Carol Kobrin, PhD, ICTR Research Studio Director and Manager of Navigator Supported Services*
- 9:40-9:50am - "The Translational Sciences Core (TSC)" – *Craig Hendrix, MD, Professor of Medicine, Translational Sciences Core Leader*

BREAK

- 10:00-10:30 am - "Addressing Error in Laboratory Biomarker Studies," *Elizabeth Selvin, PhD, MPH, Co-Leader of the Biomarkers and Diagnostic Testing Translational Research Community, Co-Director, Cardiovascular Epidemiology Training Program, Associate Professor of Epidemiology and Medicine, JHSPH*
- 10:30-11:00am - "Staging, Progression, Guidelines and FDA Surrogate Outcomes Based on Biomarkers for chronic kidney disease," *Josef Coresh, MD, PhD, G.W. Comstock Professor, Director, Cardiovascular Epidemiology & Comstock Center, Professor of Epidemiology and Biostatistics, JHSPH*
- 11:00-11:30am - "Cardiac Biomarkers in Asymptomatic Populations: Current Status, Future Promise," *Robert Christenson, PhD, DABCC, FACB, Professor of Pathology and Director of Clinical Chemistry Laboratory Services, The University of Maryland School of Medicine*
- 11:30am - 12:00pm - Panel Discussion
- 12:00pm - Closing

Luncheon and informal poster session - Owens Lobby - 12:00-1:00pm
