

The Institute for Clinical and Translational Research  
**Drugs/Biologics/Vaccines/Devices Translational Research Community (TRC)**

Wednesday, July 9, 2014

9:00am-1:00pm

Owens Auditorium, Cancer Research Building

Introduction

- 9:15-9:30am - Welcome: What are the TRCs? - *Barbara Slusher, PhD, MAS, TRC Co-Leader, Director of the JHU NIMH Therapeutic Core, Director of the Brain Science Institute NeuroTranslational Drug Discovery Program, Professor of Neurology, Psychiatry, and Neuroscience*
- 9:30-9:45am - ICTR Resources - *Carol Kobrin, PhD, ICTR Research Studio Director and Manager of Navigator Supported Services; Linda Post, RN, BSN, CCRP, ICTR Research Navigator; Che Jarrell, BSPH, MPIA, RAC, ICTR Research Navigator, Shernice Madison, BS, Navigator Program Administrator*
- 9:45-10:00am – ICTR Translational Sciences Core Consulting Services – *Craig Hendrix, MD, Translational Sciences Core Leader, Professor of Medicine*

Success Stories

- 10:00-10:20am - *Henry Brem, MD, Harvey Cushing Professor and Chairman of Neurosurgery, Professor of Neurosurgery, Oncology, Ophthalmology and Biomedical Engineering*
- 10:20-10:40am - *Justin Hanes, PhD, Lewis J. Ort Professor, Director of the Center for Nanomedicine at the Wilmer Eye Institute, Professor of Ophthalmology, Biomedical Engineering, Chemical & Biomolecular Engineering, Environmental Health Sciences, Neurosurgery, Oncology, and Pharmacology & Molecular Sciences*

BREAK

Future/Ongoing Ideas and Projects

- 11:00-11:15am - *Kannan Rangaramanujam, PhD, Co-Director, Center of Nanomedicine, Professor of Ophthalmology*
- 11:15-11:30am - *Anne Le, MD, Assistant Professor of Pathology and Oncology*
- 11:30-11:45am - *Jordan Green, PhD, Associate Professor of Biomedical Engineering, Ophthalmology, and Neurosurgery*
- 11:45am-12:00pm - *Lloyd S. Miller, MD, PhD, Associate Professor of Dermatology, Infectious Diseases and Orthopedic Surgery*
- 12:00pm - Closing - *Clifford Weiss, MD, TRC Co-Leader, Clinical Director of the Johns Hopkins Center for Bioengineering, Innovation and Design, Assistant Professor, Radiology, Surgery, and Biomedical Engineering*

Luncheon and informal poster session - Owens Lobby - 12:00-1:00pm
