We are ready to help you improve the efficiency of your study by building tools in Epic that improve your study's data collection and workflow.

Scan the QR code to go to our website and learn more about PACE services. We look forward to working with you.

Services Provided:

PACE is a fee-for-service program

Examples of Epic content provided:

- Research Recruitment via **MyChart, Reports, InBasket Alerts** or **CORUS**.
- Patient-Reported Outcomes via **Questionnaires** in MyChart or on tablet in waiting room.
- Discrete Data collection via **Flowsheet** or **SmartForm**.
- Data/Phenotype Visualization via Report or **Synopsis View**.
- **Alerts** to assist with clinical care and tracking of study patients
- **Multi-Provider Schedule** visualizations/columns to sort and identify study patients
- ...and much more!
